

## Applying What You've Learned Module I Introduction to the Power of PEN

---

**NOTE: You may complete the first seven activities listed below without a PEN subscription. However, to complete the remaining activities you need a subscription to PEN.**

- Go to the PEN home page by typing the PEN URL into your web browser [www.dieteticsatwork.com/pen/home.asp](http://www.dieteticsatwork.com/pen/home.asp)
- Click your mouse on the button that says About PEN; read the information that you find on that web page.
- Hover your mouse over the About PEN button and click on the drop down menu – PEN contributors. Review the information on that page.
- Hover your mouse over the About PEN button once again and this time select PEN Features from the drop down menu. Review the content.
- Click on the Home button to return to the PEN home page.
- Notice the “Additional information” box at the bottom of the page and click on “View pricing information” to find out more about subscription prices.
- Click on the Home button to return to the PEN Home Page. Click on the link under “Additional Information” to view the current and future Knowledge Pathway Content.

*Note: You will need a PEN subscription to complete the rest of these activities.*

- Log in to PEN by entering your user name and password.
- Notice the top navigation tool bar. Click on the links to “Help”; “My Profile”; Licensing Agreement. Review all the information under those links. Hover your mouse over the “Knowledge Pathway” button and observe the drop down menus. We will explore this feature further in the next module.
- Use the Scroll Bar in the “What’s New” Text Box to review new content in PEN. Notice that you can quickly access the PEN Client Handouts from the link in the What’s New Text Box.
- That’s all your “home work” for this module – you’re ready to start Module II – Searching PEN Using the Table of Contents.
